From

Senior Surgeon with the Government of

To
The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

With reference to letter No.6917, dated 26th January 1927, addressed to you by the Chief Engineer (copy sent by him for my information) requesting administrative sanction to the estimate for the improvements to the District Hospital, Hassan, I have the honour to enclose for the information of Government, a copy of D.O. letter No.143-23, dated 11th February 1927, from the President, District Board, Hassan District, intimating that the contribution of Rs.6,000/- promised by the Board is available to be placed at the disposal of the Public Works Department and as the contribution of Rs.5,000/- promised by Mr. Mahomed Salar Saheb has already been deposited in the Belur Taluk Treasury, I request that the estimate sent by the Chief Engineer may be sanctioned as early as possible and instructions issued for the work being started with the sum of Rs.11,000/- thus readily available. Reference is also invited to G.O. No. L.3320-25-Med.56-21-12, dated 16th March 1923 and No.L.2211-13-Med.23-2-14, dated 23rd June 1923, regarding the sale of the old Female Dispensary building to the Education Department for Rs.3,000/- The total sum available must therefore be Rs.17,000/-

As regards the Chief Engineer's remark that "it has not been reported what amount the planters of the district are willing to contribute, as required by G.O.No.G.5363-25-Med.87-23-8, dated 4th February 1925," I would invite kind attention to the fact that the donor of Rs.5,000 referred to above (Mr.Mahomed Salar Saheb) is one of the Planters of the District and that another Planter, Mr.Mahomed Hussain had agreed to construct a Gosha Ward in connection with the District Hospital, Hassan. Vide G.O.No.L.1708-10-Med.8-23-10, dated 4/9th September 1925.

I have the honour to be, Sir,
Your most obedient servant,

Usmon
SENIOR SURGEON.

D.O. letter No.143-26, dated 11th February 1927, from the President District Board, Hassan District, to the Senior Surgein in Mysore.

"Received your letter of the 8th instant addressed to Mr.M.S. Nanjundaiya today. Regarding the improvements to the District Hospital, Hassan, I think you are already aware of the resolution of th District Board, No.29, dated 20th February 1926 (copy of which is enclosed) promising to grant the sum of Rs.6,000/- for the purpose and resolving that the construction of the Maternity buildings may be expedited with all promptness possible.

"Further, a provision of Rs.6,000/- has been made for the purpose, under D(2)(b), 'contributions on account of construction an and repairs of L.F.Dispensaries, etc," in the current year's budget estimates of this District Board and the same approved by Government in their order No.L.2814-21-L.B.125-25-46, dated 1st November 26.

"Under the circumstances, I should think that there is no difficulty in making the amount available at present and I therefore request you to make a recommendation to Government to kindly accord early sanction to the estimate, as the need for the improvements to the Hospital in this District Head Quarter town is keenly felt by one and all."
